

Mark Olsen Agency Legacy Scholarship Program

"Education is the most powerful weapon which you can use to change the world."

~Nelson Mandela

The Mark Olsen Insurance Agency is proud to sponsor the Mark Olsen Insurance Agency Legacy Scholarship Program. This program is designed to support our youth in pursuing their educational goals. Mark's goal is to help students realize their full potential as educated, productive and contributing citizens of their communities. This program provides the student with opportunities for any trade school, college or university of their choice. It is also a way of saying, "Thank you for choosing the Mark Olsen Farmers Insurance Agency".

The \$250.00 scholarship must be used for continuing education. The funds will be set aside and designated for that individual, and administered when the time is appropriate. Every April, one name will be drawn from the pool of graduating High School Seniors. The winner will be contacted directly and the results will be sent out to all participants. The program will then begin again, for the upcoming year. All funds will be paid directly to the educational institution.
